ENCORE ON 34 METROPOLITAN DISTRICT NO. 3
2023 BUDGET MESSAGE

Encore on 34 Metropolitan District No. 3 is a quasi-municipal corporation organized and operated pursuant to the provisions set forth in the Colorado Special District Act. The District was established as part of a “Multiple District Structure” for the community located in the Town of Timnath, Colorado. The multiple structure of the Districts will assure that the construction and operation of each phase of public facilities will be primarily administered by a single board of directors consistent with a long-term construction and operations program. Along with Encore on 34 Metropolitan Districts Nos. 1 & 3, this District was organized to provide streets, traffic safety controls, street lighting, sanitary sewer, water, landscaping, storm drainage, mosquito control and park and recreational improvements; and to provide the operation and maintenance of these improvements for the benefit of the landowners and residents of the District.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2023 budget, the following goals are foremost for the District:

- To collect property taxes for distribution to District No. 1 (the “Service District”) in order to provide the level of services desired by the constituents.

Overview

Highlights of the 2023 budget include the following:

- The taxable assessed value of the District decreased to \$20,859.

General Fund

Revenue

The District has an assessed value of \$20,859 and certified a mill levy of 33.000 mills, which will produce property tax revenue of \$688. Specific ownership tax is estimated at 6% of property tax revenue in the amount of \$41. The District also estimates \$100 in interest and other revenue for combined revenues of \$830.

Expenses

With exception of the County Treasurer’s fees and a contingency, expenditures are related to transfers to the Service District for overall operating costs.

Fund Balance/Reserves

The District transfers all its revenue to the Service District. Therefore, the emergency reserve related to this District is held in Encore on 34 Metropolitan District No. 1.
